RE: Evans v. Nantucket Community Sailing, Inc.
USDC C.A. NO.: 05-10088 MBB

Dear Mr. Duffy:

Please consider this a request by our client regarding the status of the Court's decision in her trial which was completed in November, 2007. I know that the delay was caused in part due to the transcript; however Ms. Evans is requesting an update from us. If there is any scheduling information we can give her it would be appreciated.

Yours truly,

David P. Angueira
